

ideacentre 5i (14L, 7)

WORK AND SHARE WITH THE POWER OF THE IDEACENTRE 5i.

With an illustrious soft-wave surface that fits beautifully into any decor, the IdeaCentre™ 5i with the powerful 12th Generation Intel® Core™ i7 processors, is the perfect home computer to help you knock out office tasks, enjoy your favorite movies and tv shows, and share photos seamlessly with the whole family. And with plenty of performance and storage and easy access to ports, you'll enjoy home computing like never before.

WHY YOU SHOULD BUY LENOVO IDEACENTRE 5i (14L, 7)

Powerful components for your home computer

With the powerful 12th Generation Intel® Core™ i7 processors and Intel® Iris® X^e graphics, the IdeaCentre 5i is a capable companion for getting work done, creating content, and seamlessly streaming entertainment. With the latest Intel® Core™ i7, you'll enjoy the power to do more of what you love to do, with the people you love to do it with.

Dual-design storage means more moments

Store all your most loved and cherished memories in a massive dual-design storage setup right out of the box. The IdeaCentre 5i offers up to 2 TB HDD and 512 GB SSD storage, meaning more than 370,000 photos and 10 million documents all in one place. Never starve for storage, and never miss a moment.

Ports and memory for quick connections

A full array of ports, including four front-facing USBs and audio ports, gives you ease of access and ease of mind as you effortlessly plug-and-play all your accessories. No more fumbling with cords and reaching blindly behind your device. And with up to 32 GB DDR4 memory, upload and transfer photos and videos to the IdeaCentre 5i and across your devices at lightning-fast speeds.

Blends beautifully into your home

With a gorgeous soft-wave surface design that blends beautifully into any living space, the IdeaCentre 5i's new upgrades feature a smart design with larger ventilation areas for increased airflow. Its curved and comfortable edges, as well as the front-facing bezel made with 85% recycled AB plastic, match consciousness and comfort in this elegant home computing system.
