Lenovo
IDEAPAD

IdeaPad Slim 5i (13", 15", 11)

The smarter choice for mobility.

Slim, light, and built for mobility, the IdeaPad Slim 5i Gen 11 keeps you moving with Intel® Core™ processors and up to 32 GB memory keep performance smooth, while OLED display brings rich clarity to every project or stream. A durable metal chassis and all-day battery life with Rapid Charge Boost give you the freedom to work, stream, and create without being tied to an outlet.

For those who refuse to choose

Intel® Core™ processors give the IdeaPad Slim Series desktop-class performance in a thin, light chassis made for life on the move. Stay fast and efficient even unplugged with adaptive AI and Intel® integrated graphics. From surfing to streaming, enjoy smooth power and long battery life. No tradeoffs. No workarounds. Just portable performance that travels wherever inspiration strikes.

Confidence you can carry

Carry it with confidence. At just 1.19 kg, the IdeaPad Slim 5i slips easily into a bag without weighing you down. The slim 14.3 mm profile feels effortless to handle, while a sturdy metal build with recycled aluminum and MIL-STD-810H testing means it's ready for real-world bumps and daily use.

Stay unplugged longer

Go longer between outlets with battery options up to 70Wh, giving you all-day battery freedom for study, streaming, or work on the move. When it is time to recharge, Rapid Charge Boost adds up to 2 hours in just 15 minutes, so you can get back to what matters without breaking your rhythm.

Fast, secure, and private

Start faster and safer with Smart Login. The FHD IR camera recognizes you instantly, so you can skip typing passwords and get straight to what matters. A built-in privacy shutter gives you full control, letting you block the lens when it's not in use for extra peace of mind at home, school, or on the go.

IN-BOX

Optional
- Lenovo WL310 Bluetooth® Silent Mouse
- Lenovo Backpack B210

[1] All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2030 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. Rapid Charge is only available on the 60WHr version battery.

[2] Height is calculated using T2 measurements and should be considered 'as thin as'.

[3] The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 10Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus
Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance
Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection
Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO_2 Offset Services*
Offset the carbon emissions of your PC with Lenovo CO_2 Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty
Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)
Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Optional.
