

IDEAPAD 5 Pro (14")

Limit-breaking performance.

Experience the limit-breaking performance from the world-leading cores of the up-to-AMD Ryzen™ 6000 Series Processor with Radeon™ Graphics turbo-charged with Lenovo AI Engine, which can boost performance or battery life by up to 20%. Create, binge, and game big on a high-resolution 2.8K 14" 16:10 display featuring TÜV Eyesafe® certification. Or add up to two 4K displays with an HDMI™ 2.0 and two Type-C™ ports.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 5 PRO (14")

The fastest speeds just got faster

Feel the raw speed and power of the most advanced x86 cores in the world with the up-to-AMD Ryzen™ 7 HS-Series Processor for unrivalled gaming and creation. Then go even further with Lenovo AI Engine, which enhances performance by up to 20% in Intelligent Cooling mode, or extends battery life by 20% in Battery Saving mode.

Create and play in cinematic glory

Get the most out of your digital content creation, work tasks, video editing, and more with a 14" 16:10 2.2K 90% AAR screen, giving you the real estate to do more on your mobile computer. A quick 90 Hz refresh rate is great for gaming, while 100% sRGB and 400 nits brightness delivers incredible color accuracy.

All the right connections

It's all about full port and power connectivity. Jack in all your essentials to a full suite of ports, which include HDMI™ 2.0 and two USB Type-C™ ports for power, display and data, allowing you to connect up to two 4K displays at once. And if you're on the go and running low, grab up to 3 hours of battery life with a 15-minute charge with Rapid Charge Express.

Clear, quality calls and conferencing

A welcome upgrade to the IR camera delivers high-quality and high-clarity video for video calls and conferencing, while Smart Noise cancellation technology tailors your voice and audio to get a more natural sound with less ambient noise. Remove echoes from the loudspeaker and typing with AI-enabled technology. And with TÜV Eyesafe® certification for blue light, you can keep your eyes safe on long days of productivity.

¹ All battery life claims are approximate and based on results using the MobileMark® 2018 v1.0.2.46 battery life benchmark test. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Rapid Charge Express can be activated in State S4 (sleeping states) and State S5 (shutdown or off state).

³ Optional.

⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care

Premium Care is the hassle-free solution for all your technical support needs. Upgrade your PC's standard warranty to our front-of-the-queue customer support service and get 24/7 real-person support via phone, chat, or email from experts who provide solutions on your first contact.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking third-party web trackers, secures your online accounts, encrypts your WiFi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

Lenovo Premium Care Plus*

The ultimate PC support experience, with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, extended battery warranty support, and smart performance solutions that ensure optimized PC performance and security.

* Launching in March 2022 in US, Canada, and AP English markets.
