Lenovo LOQ

Lenovo LOQ Essential 15IPH11

Built by Masters. Born to Begin.

Born from Lenovo's legacy of gaming innovation, the all-new LOQ Essential is engineered to deliver AAA gaming-ready performance, letting you ace your favorite titles alongside your squad on a highly portable 15.3" Luna Grey chassis.

Powered by an ultra-efficient Unified Memory Architecture (UMA) of the Intel Core Ultra processors, it dynamically allocates bandwidth to push fluid frame rates in competitive multiplayer lobbies without background system lag. It is the smartest tactical play for gamers craving reliable gaming performance alongside all-day battery life for their daily hustle. By consolidating this power onto a single chip, the system cuts out traditional hardware bulk and heavy power drain. This lets you transition effortlessly from a heavy daytime grind straight into late-night lobbies, giving you the ultimate loadout to finally make the leap and step up your game.

WHY YOU SHOULD BUY THE LENOVO LOQ Essential 15IPH11

Performance That Adapts To You

Built for untethered gaming, Intel® Core™ Ultra series 3 processors with Integrated Intel® Arc™ graphics, feature a single-chip architecture that dynamically shifts power for high frame rates and lasting battery life without the heat.

Dedicated Intel NPU

A specialized 50 TOPS AI engine completely offloads background tasks, keeping the CPU free for lag-free gaming.

Optimized All-Day Power

Enjoy up to 21 hours of battery life built for your daily hustle. By eliminating the power draw of a discrete GPU and a multi-chip layout, this system channels all its energy efficiently into a single, smart processor. You get maximum battery stamina to play, learn, and create on the move without constantly hunting for a power outlet.

True Gaming Displays

Step into true gaming with a display engineered to keep pace with your longest days and fastest matches. Combining an immersive 16:10 aspect ratio with an ultra-smooth 165Hz refresh rate, it expands your vertical view and eliminates motion blur.Offering 100% sRGB color accuracy, it's ideal for coursework or AAA gaming.

PRELOADED SOFTWARE

- Legion Space
- Xbox Game Pass Ultimate (3-month trial)
- McAfee® LiveSafe™ (trial)
- Microsoft 365 (Trial)
- Fn+Q: Performance / Quiet / Balance

Legion Ultimate Support[4]
Excel at any level with top-tier power players in your corner. Our dedicated experts from Legion Ultimate Support equip you with fast remote solutions as well as hands-on repairs. Gaming late into the night? They'll be up to help you via chat, email, or call. Alternatively, you can send your device to us hassle-free and at no extra cost.

Lenovo Smart Performance
Nobody can tune your PC better than the people who made it. Get the most from your device with Lenovo Smart Performance that automatically scans and resolves performance and security issues in minutes, assuring your PC stays in top-notch condition just like the first day you got it.

Lenovo Accidental Damage Protection
We all know the drill: spilt wine, spilt milk or an accidental fall or crash situation - the unexpected is bound to happen, even to exceptionally engineered PCs. With Lenovo's Accidental Damage Protection enjoy complete peace-of-mind knowing that your PC is fully protected against non-warranty damages.

Lenovo Sealed Battery Warranty
Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo CO_2 Offset Service
Lenovo CO2 Offset Service gives you a simple and transparent way to offset your device's carbon emissions and make tangible contributions to the environment by supporting verified United Nations, CDM, Gold Standard®, and Climate Action Reserve climate action projects around the world.

Now give back to the environment in a tangible way! Lenovo CO_2 Offset Service gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations Climate Action projects, including those that help to improve renewable energy, reduce air pollution, or enhance safe waste disposal, all of this at just the click of a button.
