

Lenovo Legion Tab (8.8", 5)

The True Gaming Tablet. Built for Play and Beyond.

The Lenovo Legion Tab (8.8", 5) is a true gaming tablet built for serious gamers who want console-class performance in a mobile form factor. Powered by the Snapdragon® 8 Elite Gen 5 Mobile Platform and engineered with Legion ColdFront thermal design, it delivers stable frame rates through long, high-intensity sessions without compromise. A 165Hz 3K PureSight display with ultra-fast touch response gives Legion Tab Gen 5 the visual clarity and input precision required for both immersive AAA titles and competitive play. Lenovo AI Engine+ further enhances the experience by intelligently optimizing visuals, audio, haptics, and lighting in real time, creating deeper immersion and clearer in-game feedback. Designed to support extended play and connected gaming lifestyles, Legion Tab Gen 5 pairs long-lasting battery life with seamless Legion ecosystem integration through Legion Space and Smart Connect, making it not just a powerful gaming device, but a complete platform for play, streaming, and creation.
