

Lenovo Legion Tab

Unleash Mobile Gaming.

Get ready to level up your mobile gaming experience with Lenovo Legion Tab (8.8", 3) - the ultimate powerhouse in your hands. Dive into the action on the stunning 8.8" PureSight display, boasting a lightning-fast 165Hz refresh rate that keeps every frame smooth and responsive. Powered by the Qualcomm Snapdragon® 8 Gen 3 Mobile Platform, you'll experience unrivaled speed and performance, with the fully unleashed potential of Qualcomm SOC driving your games to new heights. Stay cool under pressure with the Legion ColdFront technology, featuring a large vapor chamber that keeps your device running at peak performance in the palm of your hand. Immerse yourself in the game with an advanced stereo system and haptic feedback that makes every sound and vibration come to life. And with the integrated Legion Space & Game Assistant software, your gaming ecosystem is always at your fingertips. Stay connected to your game, monitor your PC gaming sessions, and enhance your overall gaming experience with the Legion Tab - the go-to device for instant gaming, anytime, anywhere. The game has changed—are you ready to dominate?
