

Lenovo Chromebook Plus 2-in-1 (14", 10)

Designed for the modern workforce with a premium feel, AI-accelerated performance and robust security, the new Lenovo Chromebook Plus 2-in-1 (14", 10) comes all at an incredibly impressive price point. Powered by the high-performing Intel® Core processor, this multimode device is engineered to boost productivity, with up to 16GB LPDDR5 memory and up to 256GB SSD storage options. With Google AI built in, plus Gemini integrations, users get access to the AI-accelerated features to assist with content creation, data organization and bringing artistic visions to life.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Purpose-built for modern education. Robust, secure, and easy to manage, our laptops offer versatile performance and collaboration tools to support teachers and students in the classroom or at home.

The 14" WUXGA (1920x1200) IPS FHD touch display provides ample screen real estate and sharp details, while Corning® Gorilla® Glass protects the high-quality panel from accidental damage, whatever the day brings. Plus, the 5M camera with privacy shutter and enhanced sound with Waves Audio elevate the user experience, making collaborative meetings more natural and immersive.

Weighing at just 1.49 kg (3.28 lbs), its on-the-go capabilities enable all-day productivity in the office, on the road or at home. This 2-in-1 device also features up to 11 hours of battery life, powerful Wi-Fi 7 plus Bluetooth 5.3 connectivity and a full array of USB-C, USB-A and HDMI ports.

Along with built-in, multilayered security and centralized admin controls, this Chromebook Plus employs ongoing security measures like regular automatic updates and 24/7 access to Google support. And the Google H1 security chip, specifically designed by Google to guard against threats like viruses, phishing attacks and brute-force password attempts, gives users additional peace of mind.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Premier Support

- Talk directly with advanced technical support agents
