

Lenovo Yoga AIO i Aura Edition (32", 11)

Pure creative premium.

Elevate your creative space with the Lenovo Yoga AIO i Aura Edition 32 inches features an elegant floating design with Intel® Core™ Ultra Series 3 processor and a stunning 4K OLED Display with 1000 nits peak brightness. Experience true-to-life visuals, Adaptive Lighting, and seamless performance—the perfect canvas for AI-enhanced creativity.

Sleek, floating, borderless

The Lenovo Yoga AIO i Aura Edition 32 inches features a stunning floating design, elevated by a transparent panel. With thin bezel on all four sides, the display seamlessly takes center stage, transforming your view into a boundless canvas for creativity.

See true, create true

Enjoy stunning detail and ultra-smooth motion on a 31.5" 4K OLED display with a 165Hz refresh rate. True 10-bit color, 99% DCI-P3 coverage and Delta E <1 accuracy deliver lifelike visuals, while TÜV Low Blue Light, Eyesafe® and Flicker-Free certifications ensure comfortable viewing all day long.

Understands your every moment

Never miss a beat in your creative flow. With Adaptive Lighting that notifies you of messages, syncs with your media, and creates the perfect ambient environment, every interaction feels personal, immersive, and magically in tune with your creative rhythm.

Effortless performance for the home studio

Powered by the latest Intel® Core™ Ultra processors, the Lenovo Yoga AIO i Aura Edition 32 inches is built to elevate your creativity. Experience responsive, quiet performance that effortlessly handles creative projects and daily workflows—your all-in-one solution for creation, entertainment, and productivity.

- Lenovo Smart Connect
- Lenovo Smart Storage
- Lenovo AI Now

NOTABLE MENTIONS

- 31.5-inch 4K OLED display with 165Hz refresh rate
- Sleek floating design with 4-sides thin bezel
- Adaptive Lighting
- One-cable link for cross device collaboration
- Support Lenovo CO₂ Offset Service

¹ Actual camera performance may vary based on system processing, software, and environmental conditions.

² The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills,

electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

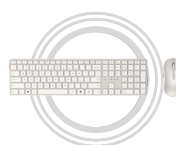

Lenovo CO₂ Offset Services

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
