

# YOGA 9i (14", 7)

## An unparalleled entertainment experience.

The Lenovo Yoga 9i, features the world's first Bowers & Wilkins speaker system on a laptop offering unparalleled entertainment with Dolby Atmos® and powered by the advanced 12<sup>th</sup> Generation Intel® Core™ processor. Featuring four modes, the Yoga 9i is crafted to merge comfort and aesthetics with rounded edges that allow you to grip, carry or use for longer complimenting the extended battery life and its versatility with smart features like the 1-click function keys and Windows Hello Smart Login on an FHD IR hybrid camera.

### WHY YOU SHOULD BUY THE LENOVO YOGA 9i (14", 7)

#### Aesthetic excellence, curved comfort design

Aesthetic excellence meets ergonomic well-being on the Yoga 9i's comfort edge design, wrapped in a smooth and sexy, rounded finish with premium unibody detailing ensures you can grip, carry, and use the laptop for longer periods of time in any mode.

#### A sight and sound to behold

Experience entertainment the way it was intended with the first ever sound powered by four Bowers & Wilkins class-leading audio performance speakers with Dolby Atmos® on a 360° rotating soundbar delivering true-to-life sound with an up to 4K OLED display featuring VESA HDR certification and Dolby Vision® offering darker darks and lighter brights.

#### Form and functionality. Ultimate versatility.

Fully optimize your Yoga experience with features like the 1-click function keys for fast access to frequently used features, a larger touchpad with more clickable area and a 16:10 aspect ratio optimizing your screen's usable space and touchscreen functionality, perfect for the full-size stylus pen with tilt capabilities. Additional I/O ports including two Thunderbolt™ 4.0, two more USB ports, and an SD Card Reader opens a whole new world of productivity making the most out of your convertible with Windows 11.

#### Natural and intuitive

The Yoga 9i's newly integrated FHD IR hybrid webcam with privacy shutter and facial smart login keeps things simple and secure while smart power supports better battery optimization and thermals with 28W thermal design power keeping your system cool + reduced fan noise for quieter use. The addition of certified HW-based low blue light filtering means we have taken 'smart' to the next level - wellness.

#### Delivering superior performance.

Take a revolutionary leap into real-world hybrid performance with 12<sup>th</sup> Generation Intel® Core™, an innovative design that distributes processing power to where you need it most. From streaming to browsing to photo and video editing and more — experience the performance boost you need for your biggest breakthroughs.

Lenovo passed verification of the Yoga 9i. Verified, measured, and tested against a premium specification and Key Experience Indicators as part of Intel's laptop innovation program Project Athena. Testing results do not guarantee individual laptop performance. Power and performance vary by use, configuration and other factors. For more complete information about performance and benchmark results, visit Intel.com/Evo.

MobileMark<sup>®</sup> 2018 : Up to 10.5 Hours

Local Video Playback : Up to 14 Hours

Rapid Charge Boost : 2 Hours @ 15 Minutes

### LENOVO SERVICES

#### Lenovo Premium Care Plus<sup>®</sup>

The ultimate PC support experience, with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, extended battery warranty support, and smart performance solutions that ensure optimized PC performance and security.

#### Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

#### Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

#### Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking 3<sup>rd</sup> party web trackers, secures your online accounts, encrypts your Wi-Fi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

#### Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

#### Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

\* Launching in March 2022 in US, Canada, and AP English markets.

### LENOVO CO<sub>2</sub> OFFSET SERVICES

Now give back to the environment in a tangible way! Lenovo CO<sub>2</sub> Offset Service gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations Climate Action projects, including those that help to improve renewable energy, reduce air pollution, or enhance safe waste disposal, all of this at just the click of a button.

1 x USB 3.2<sup>3</sup> Full-function

1 x Audio Jack

### PRELOADED SOFTWARE

- Windows 11 Home/Pro
- Lenovo Vantage
- Microsoft Office 2021
- McAfee® LiveSafe™
- Amazon Alexa<sup>2</sup>
- Dolby® Access (Dolby Vision® and Atmos®)

### GREEN CERTIFICATIONS

- ENERGY STAR<sup>®</sup>
- EPEAT™ Silver

<sup>1</sup> All battery life claims are approximate and based on two methods of testing: MobileMark<sup>®</sup> 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

<sup>2</sup> Available in select regions.

<sup>3</sup> The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

### OPTIONS & ACCESSORIES

Lenovo Yoga Mouse with Laser Presenter

Lenovo 510 FHD Webcam

Lenovo Urban Sleeve Case

### McAfee® LiveSafe™

Register McAfee<sup>®</sup> to enjoy these benefits in your FREE 30-day trial.
