IdeaPad Slim 5i Ultra (14", 11)

The smarter choice for mobility.

The smarter choice for mobility and modern student life. IdeaPad Slim 5i Ultra pairs Intel® Core™ Ultra processor performance with an ultra-thin, ultra-light all-metal design built for everyday use. A WUXGA OLED or WQXGA IPS LCD 120 Hz display brings clear, vibrant visuals, while the 65WHr battery powers a full day of classes, study, and creative work without slowing you down.

AI-powered performance. All-day creativity

Elevate your day with the IdeaPad Slim 5i Ultra Gen 11. This Copilot+ PC powered by an Intel® Core™ Ultra 7 processor runs efficiently through every task, helping you stay focused at home, in class, or on the go. With a lighter, thinner design and long-lasting performance, it's the carry-all, do-all device built to keep up with your ambitions.

Slim done right

The IdeaPad Slim 5i Ultra is built for those who move fast. With a sleek all-aluminum design, it keeps things ultra-light starting at 1.06 kg and ultra-thin starting at 11.9 mm, it slips into backpacks easily, carries comfortably all day, and feels solid and thoughtfully crafted every time you pick it up. Built to help you move freely, wherever you are.

See more. Stay in the zone.

See more and create comfortably on a 14" display built for maximum focus and flow. Choose a WUXGA OLED or a smooth WQXGA LCD 120 Hz screen, both with a tall 16:10 layout and up to 91% screen coverage. Wide color support keeps visuals rich, making reading, research, media, and creative work feel easy and natural all day.

All day energy, fast top ups

Power through long classes, study period, and downtime with a 65WHr battery built to go the distance. With 20 hours of video playback juice and the ability to top up fast whenever you need it. Rapid charge yields around 2 hours of use in just 15 minutes, so you can stay focused without stressing over outlets.

Less gear, more freedom

Connect everything you'll ever need easily with three full-function USB-C ports built for modern creativity and study setups. The clean dual-side USB-C layout supports a thin, light design and lets you move around without packing extra dongles or adapters.

IN-BOX

Standard

- Travel Hub (Seashell)

Optional

- Lenovo WL350 Bluetooth® Silent Mouse
- Lenovo E310 TWS Earbuds (White)
- Backpack B210

[1] All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2030 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. Rapid Charge is only available on the 60WHr version battery. | [2] Height is calculated using T2 measurements and should be considered 'as thin as'. | [3] The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 10Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO_2 Offset Services*

Offset the carbon emissions of your PC with Lenovo CO_2 Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Optional.
